This agreement is made and entered into by and between the State Board of Examiners of Architects (hereinafter "BOARD") and Everett D. Jones (hereinafter "JONES") effective on the 12th day of January, 1996.

WHEREAS, a disagreement has arisen between JONES and the BOARD regarding alleged violation(s) by JONES of O.A.C. § 4703-3-07(C) (2), arising out of JONES allegedly failing to accurately represent to a prospective or existing client or employer his or her qualifications and the scope of his or her responsibility in connection with work for which he or she is claiming credit; and

NOW, THEREFORE, in consideration of the various promises and mutual covenants contained herein, the BOARD and JONES agree as follows:

1. JONES will accept a three (3) month suspension of his certificate of qualification to practice architecture, which three (3) month period shall commence to run on the date that

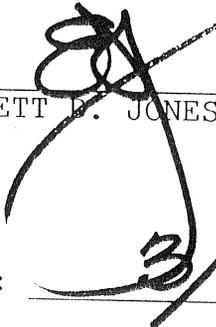

this agreement is executed by William N. Wilcox, Executive Director of the Board.

2. Following the expiration of the three-month suspension referred to in paragraph 1 of this Agreement, JONES' certificate of qualification will be reinstated automatically.

3. JONES will accept the letter, attached as Exhibit A, to be placed in his BOARD file.

4. It is hereby understood that this Settlement Agreement shall not be binding on any of the parties unless it has been signed and executed by the parties below. If the parties are unable to reach an agreement on the terms herein, or the Settlement Agreement is rejected by the BOARD, this document shall become null and void without any force or effect. Signature by the Executive Secretary of the Board on this document does not indicate approval or execution of this agreement by the BOARD, but does commence the running of the three (3) month suspension period described in paragraph 1 above provided the Agreement is ultimately approved by the BOARD. The BOARD's approval shall be designated by a majority vote of the BOARD at a board meeting at which this agreement is considered.

5. This document shall be considered a public record in accordance with R.C. 149.43.

Dear Mr. Jones:

You have been charged with a violation of Ohio Administrative Code Section 4703-3-07(C)(2), which establishes that an architect shall accurately represent to a prospective or existing client or employer his or her qualifications and the scope of his or her responsibility in connection with work for which he or she is claiming credit.

You have denied these charges. Second, you agreed that this letter would be placed in your Board file.

In exchange for your agreement and cooperation, the Board has dismissed further disciplinary proceedings against you, pursuant to the settlement agreement signed by you and the Board.

A copy of this letter shall be placed into your public record maintained by the Board and shall be made available upon request to any member of the public inquiring about such records.
